

EDGE Software NEW User Interface

A Sneak Peak of What's Improving August 31, 2011

Updated Top Menu Look & Feel

The screenshot displays the 'DEMO OIL' web application interface. At the top, there is a search bar with a 'Name' dropdown and a 'Go' button. Below the search bar is a navigation menu with tabs for Home, Compliance, Facility Management, Fuel Management, Reports, Administration, Help, and Log Off. A 'Facility List' section is visible, featuring a 'Manage' button and a dropdown menu with options: Release Detection, Impressed Current, Global Testing Log, and Global Activity Log. A blue arrow points from the text 'New Web 2.0 style top menus' to this dropdown menu. Below the menu is a table with columns: Facility Name, Regulatory Correspondence, Last Updated, # UST Registered, # AST, Brand, State ID, Phone, Address, and Site Profile. The table contains 16 rows of facility data.

New Facility List View

The screenshot shows the DEMO OIL Facility List interface. At the top left is the DEMO OIL logo. Below it is a search bar with a dropdown menu for 'Name' and a 'Go' button. To the right of the search bar is an 'Advanced Search' link. Below the search bar is a navigation menu with tabs for Home, Compliance, Facility Management, Fuel Management, Reports, Administration, Help, and Log Off. The main content area is titled 'Facility List' and includes a '+ Add New Facility' link. Below this is a 'View' dropdown menu set to 'Gas' and a 'facilities, grouped by:' dropdown menu set to 'Facility Status'. The 'Facility Status' dropdown menu is open, showing options: 'All', 'Facility Status', and 'State/Province'. Below the dropdown menu is a table of facilities, all of which are 'Managed (by Titan)'. The table has columns for Facility Name, R.E. Site Number, Facility Status, Last Updated, # UST Registered, # AST, Brand, State ID #, Phone, Address, and Site Profile.
